WEBINAR

Mini-invasive CO₂ removal: a concrete answer for reducing the ventilation burden

NOVEMBER 30
16.30 - 18.00 CET

Chairperson: *M. Quintel (Deggendorf, Göttingen)*

- 16.30 **Introduction**
M. Quintel (Deggendorf, Göttingen)
- 16.35 **COVID-19 and ARDS: the baby lung size matters and potential role of CO₂ removal**
L. Gattinoni (Göttingen)
- 17.00 **When to consider Mini-Invasive CO₂ removal for Acute Respiratory Failure: our experience**
M. Hilty (Zurich)
- 17.25 **Discussion**
- 17.45 **Conclusions**
